Problem:

*****NOTICE TO PETITIONER*****

By signing this petition for repair or improvement, I understand that the trustees of the drainage district are required to assign and involve an outside engineer if needed. The costs and fees of the appointed engineer may be substantial in amount and will accrue prior to the public hearing or informational hearing described below. I understand, after investigation by the engineer, their findings will be presented to the trustees who will set a time and date for a public hearing or informational meeting. Landowners of the petitioned drainage district will be notified of the hearing date and what the petition. In the event of approval, withdrawal or remonstrance, it is the responsibility of the drainage district to cover any associated fees on this petition.
