RE: Amendment No. 1
Report of Classification Commission
Drainage District No. 18
Share of Common Outlet Assessment Schedule
Project No.: P12.115780

Dear Board Members:

The Report of Classification Commission for Drainage District No.18 Share of Common Outlet was filed on February 26, 2018. After the report was filed, it was found that the City of Joice Streets and Alleys was not included in the schedule.

We have reviewed this omission and found the dollars had been included in the Worth County Secondary Roads total. We recommend an assessment of \$71.14 on 2.14 acres for the City of Joice Streets and Alleys in the benefited area. We also recommend the Worth County Secondary Roads assessment be reduced to \$2,389.08 for 52.11 acres.

The total basis cost of the project remains \$59,292.00 and all other assessments remain unchanged.

Sincerely,

Bolton & Menk, Inc.
